POSITION AND POLICY ON REDUCTION OF THE MINIMUM INVESTMENT UNIT

1. Position on reducing the minimum investment unit

The Company recognizes that reducing the minimum investment unit is a key means of encouraging a wide range of investors to participate in the market and to increase the stock's trading liquidity.

2. Policy on reducing the minimum investment unit

While closely monitoring equity market trends, the Company will comprehensively examine this issue by taking into account relevant factors such as its business results and share price level.
